NDC	Description	Qty	Inv #	Inv Date	Reason

- All items returned must be saleable, unopened and in original container.
- Refrigerated items are not returnable.
- Returned items may be subject to a restocking fee.
- All short dated and special order products are not eligible for return.

The undersigned guarantees that all products returned to Oak Drugs Inc have been stored, handled and shipped in accordance with manufacturer guidelines, Federal, State and Local Laws, including the Prescription Drug Marketing Act requirements of (f.s.499.0121) and the rules adopted there under while in the purchaser's custody and control. Any products not meeting the above requirements are not eligible for return or credit. All products returned must be authorized in advance. Oak Drugs Inc reserves the right to return or destroy products that are ineligible for credit or sent without prior authorization. Furthermore, the undersigned also guarantees by signing, that the specific unit (exact unit) being returned was purchased from Oak Drugs Inc. Upon completion and return of this Return Authorization, Oak Drugs Inc will send pick up tags for the returns in accordance with our return policy.

Changes to the Prescription Drug Marketing Act, implemented 12/01/2016, require that pharmacies returning product to a wholesaler either issue a pedigree for the returned product or, in lieu of a pedigree, (a) return the drugs to the wholesaler or manufacturer from which they were purchased and (b) maintain for a period of 3 years' records that document each return and the source from which the pharmacy originally purchased the drug. These changes to the PDMA law require us to document that returned product was originally purchased from Oak Drugs Inc. Returned product NOT PURCHASED from Oak Drugs Inc cannot be accepted and will be destroyed with no credit issued.

I certify that the product(s) returned was(were) purchased from Oak Drugs Inc and was(were) stored according to requirements specified on the product(s) label(s).
